

BANK FEES • INSIDE SAP

Bank Fee Portal

Analyze and validate bank fees against your agreements, inside SAP.

THE PROBLEM

Bank fees are hard to check against what was actually agreed, and overcharges slip through because nobody reconciles them line by line.

HOW IT WORKS

IN

bank fee statements

validate against your agreements

SAP

Inside SAP variance flags, full audit trail

WHAT IT DELIVERS

- ◆ Compare charged fees against your negotiated agreements and flag the variances.
- ◆ Keep the whole check inside SAP, with a full audit trail on every line.
